Quote of the Week

"Leaders are made, not born. You learn to become a leader by doing what other excellent leaders have done before you. You become proficient in your job or skill, and then you become proficient at understanding the motivations and behaviours of other people." - Brian Tracy

Consultant Defined

A consultant is an experienced individual who is trained to analyze and advise **YOU** in order to help you make the best possible choices. A strategic consultant may evaluate a business plan and help you develop an action plan. She/he suggests, evaluates and recommends to meet strategic goals.
